The screenshot displays the SAP Business Content interface. At the top, the breadcrumb navigation shows 'Business Content'. Below this, the 'OPENTEXT | ECM Suite™' logo is visible. A search bar is located in the top right corner.

The main interface is divided into two primary sections:

- Left Panel (Navigation Tree):** Shows a hierarchical view of the 'Business Workspace'. The '01 - Contracts & Business Documents' folder is selected and highlighted in yellow. Other folders include '02 - Sales Documents', '03 - Delivery Documents', '04 - Billing Documents', '05 - Account Management', '06 - Bid and Proposal Management', '07 - Correspondence', '08 - Meetings', '09 - Onsite Reports', '10 - Projects', '11 - Customer Contracts', and '12 - Sales Orders'. A 'Business Documents' folder is also listed at the bottom of the tree.
- Right Panel (File List):** Displays a table of files within the selected folder. The table has columns for 'Name' and 'Mod. Date'. The file 'C.E.B. BERLIN - Maintenance Agreement - 111200.doc' is highlighted in yellow.

Below the navigation tree, there are several icons for file operations: Print, Copy, Paste, Undo, Redo, Filter, and Refresh. The file list table is as follows:

2.4 PUMP ASSEMBLY

Only minimal assembly is required to make the MP-1 and MP-2 pump operational. Simply one or more of the Fast-Load or Standard pump heads to the pump, insert the tubing into heads, and plug the pump in.

Mounting hardware for a single pump head is supplied with each pump head. Multiple pump mounting hardware is sold separately, order part number 146823 to mount 2 pump heads, order part number 146828 to mount 3 pump heads.

The drawing shows a 3D perspective view of a pump head with a 'Mounting Bolt' and 'Pump Shaft Tang' labeled. To the right, a 2D cross-section shows 'Mounting Holes' and a 'Motor Shaft'.

The screenshot displays the SAP Extended ECM web interface. At the top, the SAP logo and 'Extended ECM' are visible, along with the user name 'Marc Diefenbruch (mdiefenb@TM)'. The navigation bar includes 'Enterprise', 'Personal', and 'Tools' menus, and a search field.

The main content area shows a breadcrumb trail: 'Innovate > Plants > Equipment > P-3000-N001 - Electric pump 001'. A central table lists a predefined folder structure for this equipment. A yellow callout box points to this table, stating: 'Predefiniowana (modyfikowalna) struktura folderów (tworzona z szablonu przestrzeni roboczej)'. The table columns are 'Type', 'Name', 'Size', and 'Modified'. The rows include folders for 'Calculations', 'Correspondence', 'Drawings', 'Inspection Reports', 'Maintenance Notifications', 'Maintenance Orders', 'Manuals', 'Materials', 'Pictures', 'Related Equipment', and 'Warranties'. A second yellow callout box, 'Dane z SAP', points to the right-hand pane.

The right-hand pane displays 'P-3000-N001 - Electric pump 001' with various data sections: 'Equipment: P-3000-N001', 'Master Data' (General, Manufacturer), 'Location', 'Organization', 'Functional Locations' (C1-B01-1 - Pump set 1), 'Related Equipment', 'Maintenance Notifications' (Pump Failure, Pump leaking), 'Maintenance Orders' (Failure Analysis for failed Pump), and 'Materials' (P-3000 - Pump, electrical, 150-200 GPM). A third yellow callout box, 'Powiązane obiekty biznesowe', points to this pane.

On the left, a 'Content Filter' sidebar is visible, showing filters for 'Business Workspace View', 'Equipment - Manufacturer' (Delta Pump Mfg Inc (16)), 'Equipment - Model Number' (300-50 (16)), 'Content Type', 'Document Type', and 'Owner'. At the bottom, a 'Pulse From Here' section shows 'All Users' and 'My Colleagues' tabs, with 'Marc Diefenbruch' listed as active 5 minutes ago.
